## Council of Trent

“The holy Council declares, that there has been most piously and religiously introduced into God’s Church the practice, that each year, on a certain special feast, the august and venerable Sacrament should be honored with singular veneration and solemnity, and that It should be reverently and with every honor carried in processions through the public roads and places. For it is most just that certain holidays should be appointed, whereon all Christians should, with special and unusual demonstrations, evince their gratitude and mindfulness towards their common Lord and Redeemer, for this so unspeakable and truly divine favor in which is represented his victory and triumph over death. And it was also necessary, that thus invincible truth should triumph over lying and heresy; that her enemies, seeing all that splendor, and being in the midst of such great joy of the whole Church, should either grow wearied and acknowledge their being beaten and broken, or, being ashamed and confounded, should be converted.”

### *St. Francis Dress Code*

*To dress becomingly for God and neighbor, and in keeping with the reverence due to the Blessed Sacrament, kindly refrain from wearing shorts, tee-shirts, tank-tops, revealing blouses, sleeveless or backless dresses, or form-fitting clothing of any sort. Please do let dresses and skirts fall below the knee. With due regard to time and circumstance, all are encouraged to wear decorous attire befitting sacred and divine worship.*
